

DUDGELEY FARM PRE CAMP PACK

Now January is behind us and we can start to look forward to Spring. I'm counting down the weeks until we arrive at Dudgeley Farm for an amazing experience and I am busy organising the meals, training sessions and maybe a little surprise for you.

Before you arrive at Dudgeley Farm, please make sure to complete the [rider registration](#) form online. This will help us ensure we have all the necessary information for your safety and enjoyment.

Remember that riding out is at your own risk and is not part of the official training program. We encourage you to find other riders with compatible horses and experience levels to pair up with for your rides.

An Ordnance Survey map with suggested routes from Dudgeley Farm will be available for you to use. Additionally, I recommend downloading the Equilab app to your mobile phone and adding me as a safety contact. This app can track your ride and send alerts in case of an emergency.

You can purchase your own map from Dash4it at a discounted price - [OS Explorer - 217 - The Long Mynd & Wenlock Edge](#)
